

LINCOLN ELECTRIC SYSTEM

Attachment 1

## **Lincoln Electric System Temporary Surcharge**

---

### **Applicability**

The Temporary Surcharge is applicable to all retail and joint use area consumers in Lincoln, Nebraska and Lancaster County that are receiving electric service from an existing service location under any and all LES Retail Rate Schedules, Supplemental Firm Power Rate Schedule or other service agreements.

### **Surcharge Rate**

The Temporary Surcharge is 5.5% of the sum of the consumer's monthly billed account, including the Customer Charge (or Customer & Facilities Charge); Energy Charge (or Energy & Facilities Charge); Demand & Facilities Charge; KVAR Charge; Dual Primary Service Charge; Lighting Charge; Maintenance Charge; Off-Site Meter Reading Charge; Extra Meter Charge; Festoon Charge; Pole Attachment Charge; whichever of these are applicable to the current month's billing.

The Surcharge will not be applied to New Account Fees, Late Payment Fees, Field Collection of Payment, Reconnect Service after Disconnect Fees, Non-Sufficient Funds Check Fees, Reread Fees and Renewable Energy Charges.

### **Term of the Surcharge**

The Temporary Surcharge shall be applied to all account bills rendered on and after March 1, 2007. The Surcharge will terminate effective December 31, 2007 or at the end of the billing cycle in the month when the surcharge has generated revenues sufficient to cover the ice storm-related power costs, whichever occurs first.

### **Terms and Conditions**

The Surcharge is applied subject to the System's Service Regulations.
